paper.

The insurance policy/policies detailed below is/~~are~~ forwarded with the specimen of the form of assignment to be recorded on ~~each~~ policy. The assignment may be executed on the policy itself either in the subscriber's own handwriting or in type, or alternatively a typed or printed slip containing the assignment may be pasted on the blank space provided for the purpose on the policy. A typed or printed endorsement must be duly signed and if pasted on the policy it must be initialled across all four margins. When executing the assignments, the names of the proposer and the beneficiary should agree letter by letter with the names as noted in the policy. The assignments executed should also agree word by word with those indicated in the specimen form.

2. The company may be requested to record on the policy the fact of having altered the mode of payment of premium into one of annual basis in the case of policy numbers _____, before the assignment is registered in their books.

3. The age of the assured may be got admitted by the insurance company and recorded on the policy.

~~2~~. Both the assignments Nos. I and II as in the specimen form of assignment attached should be recorded on the policy. ~~in all cases except in the case of policy No.~~ _____

~~3~~. After the assignment is duly executed on the policy, it should be sent to the insurance company concerned with a request to register the assignments in their book and forward the policy along with a certificate that the policy is in force and free from all encumbrances to this office by registered post (acknowledgment due) as it is not possible for this office to acknowledge receipt of the policies to insurance companies.

~~4~~. The receipt of this memorandum together with the enclosed policy/policies may be acknowledged.
